Summary

As a web development fresher skilled in React, JavaScript, HTML, CSS, Python, and Bootstrap, I enhance front-end and back-end projects, leveraging AI tools to boost productivity and drive innovation.

Skills

Reactjs	Javascript	Python	Bootstrap	Tailwind
HTML5	CSS	AI TOOLS	Figma	OPEN AI

Projects

BEATS

Developed a sleek song app with HTML, CSS, and JavaScript, featuring intuitive audio controls for play, pause, and skip, enhancing user enjoyment.
